Strengths

◄ Collaborative

I am always keen to share knowledge, help, discuss, teach and learn from others. I am able to collaborate with cross-functional teams to create a high-quality end product.

★ Result-oriented

Many confuse progress with moving in the right direction. I always make sure to check if the team is on the right path.

🖌 Detail-oriented

Continuously focused on how to improve my work and do it the best way I can.

🕐 Project management and prioritization

I am always making sure that project deadlines are met and the required results are delivered on time.
